Cashless beer garden enjoyment with the Schwanen Card

Freely transferable, reloadable with any amount. Includes a beautiful greeting card. Available at the cash register.

Dear friends of the intoxicating smoke:

Unfortunately, smoking is not permitted here! There is a children's playground directly next to the beer garden, which prohibits smoking within a 100-meter radius. We therefore recommend the scenic and diverse options in the adjacent valley meadows!

Thank you for your understanding.

Food & Drinks 2026

Welcome to our beautiful beer garden.

We hope you'll enjoy a few relaxing and pleasant hours with us, and we'll do everything we can to make you feel at home. We place great importance on sustainability and environmental awareness. That's why we're excited to announce a new step toward improving our environmental footprint: Since the end of 2024, we've been generating part of our electricity needs ourselves using a solar panel system on the roof of our Beergarden building! Diversity, sustainability, and the desire for you to enjoy your meal here are very important to us, which is why we source many of our products from the local area and why nearly our entire

menu is freshly and carefully prepared to order. Grilled, roasted, fried dishes, snack platters, salads, and sweets. We even bake our pretzels fresh for you several times a day. With a cozy, traditional Beergarden atmosphere and high-quality entertainment, such as our Sunday Jazz Concerts or Wednesday Evening Performances, we aim to enrich your stay culturally and hope we succeed.

Be our guest and enjoy a few hours that feel just like a vacation. If you enjoyed your time here, we'd appreciate positive reviews on social media. If something wasn't quite right, please speak to us directly. This is the only way we can keep improving, to the delight of our guests.

Your team at the Schwaneninsel Beergarden
